

ROCKS for KIDS!

- Collecting, of course!
- Inspecting, observing, comparing, washing...

- Recording
- Classifying
- Organizing...
- And **DISCOVERING** for the rest of your life!!

The Indian Mounds Rock & Mineral Club meets the 3rd Tuesday of the month from 7-8:15 pm at Fifth Reformed Church, 2012 Griggs St SE, Grand Rapids
www.indianmoundsrockclub.com

Junior Members of the Indian Mounds Rock & Mineral Club are invited to also be members of the American Federation of Mineral Societies youth education program:

Future Rockhounds of America (FRA).

The big blue badge is available to kids ages 6-17 who attend at least 2 monthly meetings a year. Completion of *age-oriented* educational activities earns the junior **more** badges – see the chart on the next page! – as well as recognition on the national database of FRA.

Costs for this Juniors program is covered with the Family Membership in the Indian Mounds Rock & Mineral Club (IMRMC) \$25 per family per year. We regret we are not able to offer it as a drop-off program; *Parent or other adult is required to be present at the adult meeting or assisting with Juniors* for children to be in the Future Rockhounds program. See next page for more detail.

This is all **HANDS-ON activity**: with visuals and full-color worksheets, interactive demonstrations, and samples for each kid to take home each time. These sessions will provide practice with real Rocks, Minerals and Fossils for homeschool students, Science Fair & Earth Science projects, and Science Olympiad competitions.

American Federation of Mineralogical Societies (AFMS)

Future Rockhounds of America (FRA) National Badge Program

- **To earn a badge, the junior (age 6-17) completes at least 3 of the suggested activities for that badge.** Then your FRA leader will sign and forward the completion sheet to the AFMS Juniors Program chair to receive your badge.
- (Ages 4-5 can participate in the Pebble Pups class for fun, but will not receive AFMS badges. Parent may be required to assist these younger ones in class; thanks for understanding 😊)
- Kids can earn 4-6 badges a year by participating in **the Juniors Sessions at the Monthly meetings.**
- They can **ALSO** do some badges on their own. Materials for several badges are available from the Juniors Coordinator.
- Once a junior earns 6 or more of the 20 badges, he/she will receive the official **AFMS ROCKHOUND** patch!

- Teens may also help as assistants in the sessions, working toward the Leadership and Communications badges.
- **Cost for the badge program is covered in the annual Family Membership dues for the Indian Mounds Rock & Mineral Club!**

Future Rockhounds of America

Sponsored by the American Federation of Mineral Societies

Achievement program for Junior members ages 6-17
