The Indian Mounds Rock & Mineral Club meets the 3rd Tuesday of each month. Our objective is to develop and encourage interest in, and to further the study of minerals, gems, fossils, rocks, lapidary arts, and earth science. We do this by sponsoring a variety of speakers, holding demonstrations, hosting sales and auctions, hands-on activities for children, field trips, and developing relationships with others who share their experience and knowledge of collecting and working with gems, minerals, and fossils. Visitors welcome at our family-friendly club meetings. Membership required to attend field trips.

Club Membership dues are \$25 per family, \$20 per individual and \$5 per sponsored junior.

Fun for the Entire Family!
